Thursday 5<sup>th</sup> November

Dear Parents,

Last night we were issued with new Government Guidelines for schools that outlines further steps we must take during the National Lockdown (5<sup>th</sup> November until December 2<sup>nd</sup>).

The guidance states that we must no longer provide our extra-curricular activities. As a result, all after school clubs will be cancelled as of Monday 9<sup>th</sup> November. We have taken the decision that this will be for the remainder of this term.

This does not affect our breakfast club that will remain open. In addition, we will continue with the catch-up programmes for selected children that takes place before and after school and any other booster sessions that are taking place in some classes.

I am very sorry that we are no longer able to offer some of our clubs which we know many of your children enjoy.

The guidance also encourages the school to carry out more physical activity in school. As a result, we will be ensuring that ALL children have access to at least 60 minutes of physical activity each day, wherever possible. The vast majority of this activity will be outside and will be in the form of playtimes. The rest of this time will be made up with PE. PE lessons will continue as normal. You have already been notified which day/s your child needs to attend in PE kit and on the other days they should continue to wear their school uniform.

Finally, once again, I would like to thank you for your support. Most parents are following our rules on face masks and have been very understanding with the changes we are making. I sincerely apologise for the late notice in this letter however schools only received this guidance at 3.30pm yesterday.

Please stay safe and ensure you follow the lockdown rules.  
Keeping you all in my thoughts and prayers.

Yours sincerely

R Snee (Mrs)

Principal
