Dear Parents.

As we begin another week of remote teaching and learning, I would like to express my sincere thanks to all parents and families who are supporting children with these challenging circumstances during these difficult and uncertain times.

The work that children are sending in to school is amazing and shows that all pupils continue to have excellent attitudes to all aspects of their learning.

Staff continue to set high standards and expectations in all lessons and are committed at all times to ensure lessons are fun, exciting and engaging for your children, which I am sure you will all agree.

Myself and the staff are available throughout each day to support you and your children with any difficulties you may encounter, so please do not hesitate to contact us.

You are all truly amazing in the way you have embraced the new restrictions following government guidance and continue to support the school by keeping children at home where possible in order for us to stay safe and protect the NHS, as we work towards a much brighter future, where restrictions are lifted and we can all get back to school and meet with our friends once again.

Thank you to those parents who have completed the Remote Learning questionnaire as it is important that we are informed of your views, so that we can then address any downfalls to ensure the remote learning is enabling all pupils to continue learning and making expected progress.

Can I urge any parents who have not completed the questionnaire on line to do so and return to school via email.

May God bless you all and keep you safe and well.

I continue to pray for an end to these uncertain times and look forward to welcoming everyone back to school.

R Snee (Mrs)
