

Our Stars at St. Peter's

Friday 15th January 2021

<p style="text-align: center;">Nursery</p> <p><u>Our star of the week are Hardeep and Jasdeep.</u></p> <p>This week the boys have been engaging with all the online daily videos and completing activities from their packs. We are very proud of all the hard work you are doing at home and the progress you are making with your new learning.</p>	<p style="text-align: center;">Reception</p> <p><u>Reception's star of the week this week is Meerab.</u> Meerab is working so hard completing all her daily online lessons and completing not only work from her pack but additional work with her family. I can see already that Meerab is making good progress with her reading, writing and number work from her videos and photos. Keep up the hard work you are doing amazing!!</p>
<p style="text-align: center;">Year 1</p> <p><u>Our star of the week is Hooriyah.</u></p> <p>Hooriyah always wants to be the best she can be. At home, she is making her family and teachers proud by continuing this positive attitude. We have seen super home learning, especially for SPaG.</p> <p style="text-align: center;">Keep it up Hooriyah!</p>	<p style="text-align: center;">Year 2</p> <p><u>Our star of the week is Rafi.</u></p> <p>Rafi has been so engaged in our online learning and we have really see his confidence grow! He will put up his hand to answer questions and has sent in lots of fantastic pieces of work. We are very proud of you!</p>
<p style="text-align: center;">Year 3</p> <p><u>Year 3's star of the week this week is Noa.</u></p> <p>Noa completes his work conscientiously and is never the first to say that he is finished which just goes to show the teachers in Year 3 that he is trying his best and not rushing his work. He always follows our Teams learning rules and puts his hands up to answer questions. Well done Noa you are a role model to our class.</p>	<p style="text-align: center;">Year 4</p> <p><u>Our star of the week is Vincel.</u></p> <p>Vincel has really impressed us with his work and attitude to his learning at home. He contributes well to discussion, and has sent in lots of his lovely work every day. His work is always of a high standard, and he is using his best presentation that we are used to in school. It is great to see how proud he is of his work.</p>
<p style="text-align: center;">Year 5</p> <p><u>This week's star of the week for year 5 is Violet.</u></p> <p>Violet is our star of the week because she has shown absolute resilience in her online learning this week, she has had technical issues beyond her control but she has just carried on the best that she can. I am really proud of the work Violet is producing independently as well, she is working just as hard as she would in school. Well done and keep up the good work.</p>	<p style="text-align: center;">Year 6</p> <p><u>Our star is Linda.</u></p> <p>She has been so dedicated to all of her online learning. She is always logged on in plenty of time and well prepared for every lesson. She is producing work of a very high standard which she emails to school, without fail, every day. Linda has a fantastic attitude to her learning.</p>

Well done to all our stars this week for working so hard.

Look out for your special certificates in the post!
