Dear Parents/Carers

Inspiring words from the Holy Father,

“Each day offers us a new opportunity, a new possibility...” Pope Francis 2021

Once again, we find ourselves in difficult circumstances facing a national lockdown. As you know the safety and wellbeing of us all is dependent up on everyone following the rules, which have now been well publicised by government and medical experts. I would like to add my personal thanks to you all for your thoughtfulness and cooperation and continued efforts to secure a safe and better future for us all.

Staff within the school are working extremely hard to develop and promote high quality remote learning to ensure children can continue with their education in a safe way.

We would welcome your comments, thoughts and suggestions by email stpeter@stpetersnewman.co.uk as we strive to develop this resource to.

A huge thank you to you the parents for your involvement in your child's new way of learning. I know this isn't always easy and therefore remind you that I am here in school daily to help and advice if and when you need to.

I will continue to pray for you all in hope that the pandemic will end very soon and that we can all return to school and get back to some sort of normality.

Please remember **STAY HOME, STAY SAFE, SAVE LIVES.**

God bless
R Snee (Mrs)
