

Our Stars at St. Peter's

Friday 5th February 2021

Nursery

Our star of the week is Cody.

Cody has worked so hard each week throughout the school closure. He completes all activities and lessons set and his work is always of a high standard. I am particularly impressed as despite being unwell Cody has still managed to complete his work with the continued support of mum and dad who are also working from home.

A huge well done!

Reception

Reception's star of this week is Isaac.

Isaac is making fantastic progress each week and I can see this from the work he is sending in to school especially with his phonics. He is consistently completing activities and online videos and I am proud of his "can do" attitude!

Keep up the hard work Isaac my little superstar!!

Year 1

Our star of the week is Saif.

He comes to school every day with such a positive attitude and is working so hard. His phonics is fabulous and because of this, his writing is superb! Saif always takes part in every lesson sharing his ideas.

What a superstar!

Year 2

Our star of the week is Cindy

Cindy always puts so much effort into her work. Her maths and English are always presented beautifully and to a very high standard and she always engages within the lessons. After our meet the author lesson Cindy went on to create her own story character that was beautifully illustrated and she wrote a short character description about it too.

Well done Cindy

Year 3

Year 3's star this week is Aamilah.

Aamilah has shown a fantastic 'make do and mend' attitude by creating a Roman Chariot out of a PG tips box in our DT lesson and her English work has been so fantastic that I have magpied her paragraphs myself so that I can use them as examples of outstanding work for other children. She always asks if she is unsure of her work just to make sure that she completes it to the best of her ability and her whole attitude to learning is just amazing.

Well done Aamilah.

Year 4

Our star of the week is Aneeqah.

She has worked really hard as always in every single lesson. She is so polite on teams and is always brave enough to share her answers with the class. The work she is sending into school is fantastic, and is beautifully presented.

Year 5

This star of the week for Year 5 is Roza

Well done Roza for always showing a positive attitude towards your learning and completing all your assignments on time and to a very high standard.

Year 6

Our star of the week is Elim

Elim has worked so hard this week at both home and in school. She always answers questions, enthusiastically takes part in Joe Wicks and her work is to such a high standard. Her presentation is fantastic in every single lesson. Elim always comes to school with a smile on her face, which brightens everyone's day. Well done Elim
