Dear Parents and Children

Well done to everyone for your hard work and commitment during this period of Remote Teaching. I am so looking forward to welcoming everyone back to school on Monday.

It is mandatory that all children come back to school, so children please get up early, put on your school uniform and be ready to attend school. All children must return to school to avoid mummies and daddies getting into trouble or receiving a fine. You will all have received your time to attend school and I urge you to adhere to these times, as it is so important that we continue to follow government guidance to ensure we can keep everyone safe and well to try to avoid us having to close individual classes or the whole school again.

I know that most of you are looking forward to coming back to school so that you can see your friends and teachers again. Some of you may be feeling a little worried or nervous about coming back to school. This is quite normal but please feel reassured we are all here to help you to settle back into school and as always, we have some exciting lessons and activities for you all to be involved in. Also, please remember there is always someone you can talk to at all times if you wish to.

So for now no more remote teaching have a lovely weekend and I cannot wait to see all your smiling faces and I am so excited to welcome you all back to school.

Stay safe
God bless

R Snee (Mrs)
