Has your child had a positive lateral flow

Yes

No

Is the test negative or unclear

Was this at home or testing centre?

At home

Negative

Unclear

Testing centre

- Report the result on the website given with the test
- Attend school as normal

Take another test

- Tell the school as soon as positive
- Report the positive test on the website given with the test
- Book a PCR test at a Government testing site to confirm the result
- Let the school know your result as soon as possible.

- Keep your child at home
- Tell the school as soon as possible
- Everyone in your household must isolate for 10 days

If a child shows any COVID-19 symptoms they cannot return to school without a NEGATIVE TEST

If you are contacted through NHS Track and Trace and your child was with you during the contact with the person who has tested positive—you and your child must self isolate for 10 days, even if either of you receive a negative test.
