Dear Parents

I just wanted to express my thanks for all your cooperation and kindness during the first week back to school.

It has been amazing to welcome your children back to school and such a pleasure to see their smiling faces, hear their chatter and see them building on the friendships they all had before we went into lock down in January.

Thank you to everyone for your kindness and patience during these unprecedented times and I know together we can continue to work in partnership, "Together, One Family, One Community in Christ" to ensure we can slowly return to some sort of normality.

May I take this opportunity to wish all mums and grandmas a very happy, peaceful and healthy Mothering Sunday. My wish for you all is that you are pampered and able to have a complete day of rest.

I will keep you all and mothers all over the world in my prayers

Stay safe  
God Bless

R Snee (Mrs)  
Principal
