

# Our Stars at St. Peter's

Friday 5th March 2021

## Nursery

Our star of the week is Mubarra

This week she has made so much progress with her numeracy. She has been subitising, ordering and comparing quantities with confidence!

She works so hard in the classroom completing all activities and demonstrating through her work how much she has learnt!

## Reception

Reception's star of the week this week is Huwainaa

She has worked so hard in school with all her areas of learning but especially making good progress with her phonics and maths. She always has a smile on her face and puts in 100% effort to ensure she produces her best work.

We are really proud of you Huwainaa

## Year 1

Our star of the week is Abdul Raheem

He has worked hard each week, he has sent fabulous work in and has listened to all the targets his teachers have set. What a positive attitude to have - wanting to be the best he can be!

## Year 2

Our star of the week is Tasin

For being super engaged and always being so polite to his teachers. He puts in 100 % effort into his work and his presentation is outstanding. We are super proud of how mature he has been since working remotely.

## Year 3

Year 3's star of the week this week is Fajar

In school she sometimes needs a little bit of extra help to complete her work but from home she has tried ever so hard to be independent. Her device does not always allow her to complete the work easily but she NEVER gives up and always sensibly lets me and Miss Johnson know that she's having difficulties but that she has found her own way to overcome them. Her guided reading contributions are fantastic.

We are so proud

## Year 4

Our star of the week is Yumna

She has worked so hard this week, even when some things were tricky. She has been really confident when talking and answering questions in all lessons and has produced some very good work. Yumna is always a pleasure to teach, and this week she has really tried her best in all lessons. I am really proud of her for having a go in Maths. Yumna has persevered with her thinking and is starting to understand more thanks to her hard work.

## Year 5

This star of the week for Year 5 is Jasper

Jasper has worked so hard with his home learning. He joins all of his lessons on time and he really tries his best to complete his work. He has even been wearing his uniform at home so he feels like he is ready for his school work. We are really proud of you Jasper, Well done!

## Year 6

Our star is Anni

She is always prompt to lessons and ready to learn. Her work is always completed to a very high standard and she continues to astound us with her effort. The writing that Anni produces is beautiful and I often wish I had the flare that Anni has for writing. I can always rely on Anni to put her virtual hand up and answer questions. She is an absolute star!
