April 1st 2021

Dear Parents

The Easter holidays are upon us already. What a truly special 3 weeks and 4 days we have had with your amazing children. Life in school has been as near normal as we could have possibly have made it.

With your support and dedication, we have all enjoyed laughing, playing and learning together in a way that we all can only remember from before COVID 19.

As we journey through holy week and prepare for the celebration of Easter Sunday I ask that you continue to pray for everyone in our school, children, families and staff that we can all enjoy a well deserved rest and an opportunity to make special memories with our families whilst remembering to follow government guidance to ensure our safety as we move closer to a more normal future.

To all our families who are preparing for the month of Ramadan, our school community will continue to keep you in our prayers as you prepare and journey through your month of fasting and praying.

Please take time this holiday to spend some quality time with your families and cherish the moments we have together.

"Along the daily way of the cross, we meet the faces of so many brothers and sisters in difficulty; let us not pass by, let us allow our hearts to be moved with compassion, and let us draw near."
Pope Francis

May God bless you with good health and happiness during the Easter holidays.

Easter Blessings

Mrs R Snee
