Principal: Mrs R. Snee

Dear Parent/Carer,

As we move closer to the end of term and your child prepares to move onto the next phase of their education journey. We would like to update you on some transition developments for children who will be attending St Margaret Ward in September.

Therefore your child's journey through education from primary to secondary, is our key priority and we are always looking to make this journey as smooth as possible.

We have been working closely with St Margaret Ward to ensure we support them in the best way possible during their transition to secondary school. As a result, Mrs Farrer (Assistant Head) and other members of staff will be coming to meet the children and answer any questions, on Tuesday 18<sup>th</sup> May at 2:00pm.

The St Margaret Ward staff will then be on the playground at 3pm to answer any parent's questions.

Kind Regards

R Snee (Mrs)  
Principal
