18<sup>th</sup> June 2021

Dear Parent / Carers

As we fast approach the end of this academic year, I would like to welcome Mrs Hammond who has taken up her post as Administration Assistant in the school office. Miss Sarah Caton has taken up the post of Academy Manager, they will be your first point of contact when you come into the school.

In the last three weeks of the summer term we are planning to carry out transition for children into their new classes to ensure a smooth transition for all, in preparation for the new school year 2021/ 22. We ask parents to be reassured that we will continue to follow government guidance and comply with all safety regulations in the attempt to keep all children and staff safe, for this reason our transition will be different than we have done in previous years.

Our transition period will begin on Friday 25<sup>th</sup> June and will consist of three full days. During the transition your child will spend time in their new class with the staff they will be with in September. This will give all children the opportunity to become familiar with their new environment and staff in advance of the new academic year 2021/22.

Please see table below, with the staffing structure which will be in place from September 2021.
